Appointment of Additional SIEC Member

Paul Wilson and Mark Venuti, SIEC Co-chairs

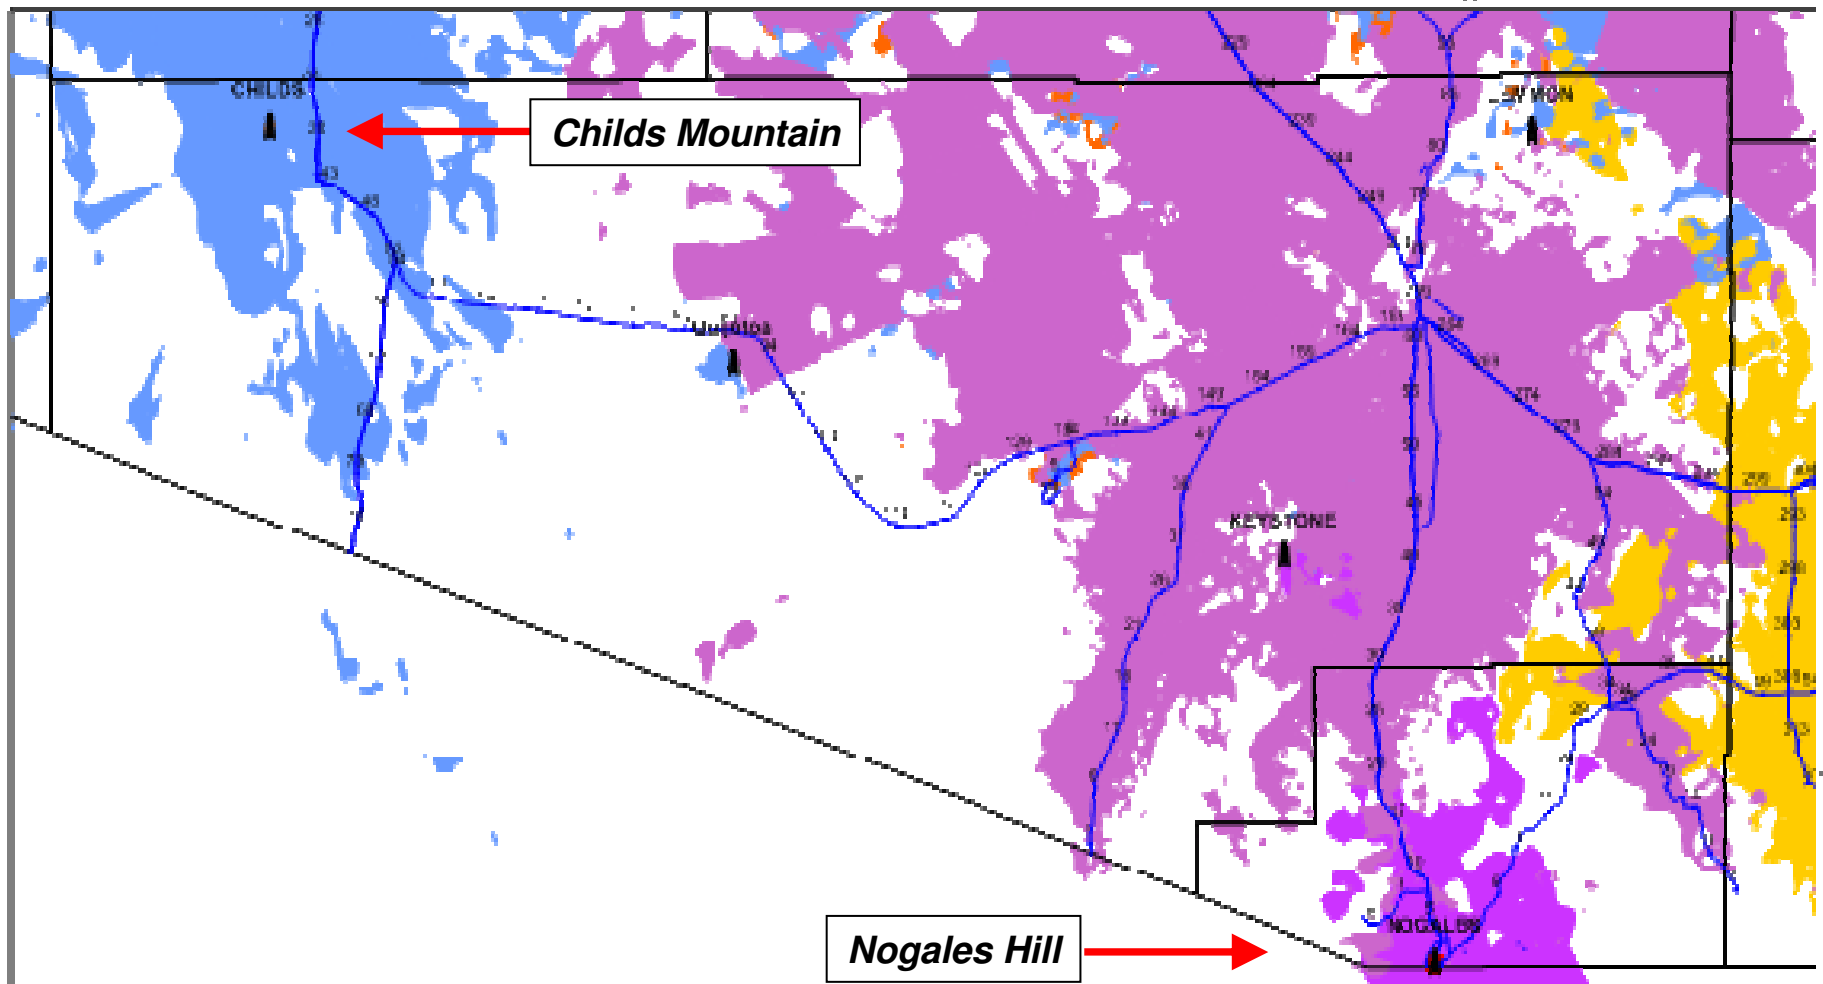

Recommended PL Changes

- Proposal:
 - Nogales Hill, located in Santa Cruz County, would change to AIRS 3 – 110.9 Hz. (Currently AIRS 2 - 131.8 Hz)
 - Childs Mountain, located in Pima County, would change to AIRS 2 – 131.8 Hz. (Currently AIRS 3 – 110.9 Hz)
- Necessary to reduce intra-system interference and improve regional alignment.
- Discussion from SIEC Technical Workgroup confirmed there was local support for these changes and no objections were voiced. The workgroup supports recommended changes.

COM-L History

- National Initiative
- Provides a common level of training and credentialing for COM-L across the state/nation
- AZ SCIP Strategic Initiative 10.2
- 6 Classes in Arizona
 - Phoenix (2)
 - Flagstaff
 - Yuma
 - Tucson
 - Sierra Vista

Requirements For COM-L

- Successful Completion
 - ICS 100, 200, 700,800 (Online)
 - ICS 300 (classroom delivered)
- Attend and successfully complete COM-L Class (Six classes within state to be completed by October 2nd)
- Complete Task Book
- Credentialing by state

Credentialing Process

- Currently all COM-L class certificates are sent to SAA and stored at PSIC office.
- State needs to determine a plan for the credentialing of COM-L
 - State? Regional? Local?
 - Vetting board for task book signers
 - Varies by each state
- Issues needing to be addressed
 - Create a uniform tracking of COM-L certification in AZ
 - Create method of certifying COM-L task book signers
 - Create process for determining that basic competency level is reached prior to taskbook sign-off

Staff Recommendation

- Creation of short term COM-L Taskforce:
 - Determine process for credentialing task book signers
 - Determine process for tracking COM-L completion
- Should be comprised of those who have completed or will be completing the COM-L class in the near future.
